# ARMENIA

It was in 6th Century B.C that the first kingdom of Armenia was established. The country was the first nation in the world which adopted Christianity as its religion. During the 11th and 14th centuries, a kingdom called 'Cilician Armenia' existed on the coast of the Mediterranean Sea.

MBBS in Armenia can be the best option for the Indian Medical aspirants. Indian students get everything what they wish for in their medical university. There are 26 higher education institutions in Armenia. 16 of those universities belong to the system of Ministry of Education and Science.

The most popular universities of Armenia are located in the heart of the country, capital Yerevan

## WHY MBBS IN ARMENIA ?

- \* good clinical exposure
- \* well equipped laboratories
- \* Easy admission procedure
- \* Education in English Medium
- \* One of the safest country in the world
- \* MCI approved universities
- \* Reasonable fees structure
- \* Living Accommodations are Affordable in Armenia

Capital	: Yerevan
Currency	: Armenia Dram, Noah's Ark Silver Coins

## YEREVAN CITY Armenia

Yerevan is the Capital and largest city of Armenia as well one of the world's oldest continuously inhabited cities. Situated along the Hrazdan River, Yerevan is the administrative culture and industrial center of the country. It has been the capital since 1918, the 13th in the history of Armenia and the 7th located in or around the Ararat plain.

Definitely the best choice for thousands of students coming to seek MBBS education every year from different parts of the globe.

Every year thousands of students graduating from Armenian Medical Institute are awarded with a medical degree and they not only get the job in Armenia but also can practice in different countries.

The Admission for Medicine program takes place in August and the applicants must fill the form before August.
